

# The Friends of Sunrock Farm

Every child deserves a chance to experience the beauty and wonder of our natural world. The Friends is a non-profit dedicated to providing funding for low income schools and disadvantaged students wishing to visit the farm.

## Membership & Benefits

Becoming an annual member helps underprivileged children enjoy a hands-on adventure that reduces stress and anxiety, improves school engagement, and gives them memories to last a lifetime. With your help, over 6,000 at-risk kids will visit the farm with scholarship support this year.

## Members Only Events

Members enjoy exclusive access to 4 tours, classes, and other fun seasonal events each year. Membership at the Patron level and above also gives you access to an additional, exclusive VIP Thank You event annually. Members make our mission possible. Join today!
